## **Lifetime Vitality Partners with JVS Rehab**

Lifetime Vitality announced their partnership with JVS Rehab in Columbia, Maryland on Wednesday, June 1, 2022. Lifetime Vitality will continue to operate the JVS Rehab location under their current name and continue to serve their existing patients. Additionally, Lifetime Vitality expects to expand services to existing and future patients through the depth of their resources.

Lifetime Vitality was formed in 2022 by experienced professionals to address the needs of patients throughout their lifetime across settings and providers. Lifetime Vitality's mission is to make a lifelong impact on those they serve.

Dan Hirschfeld, Lifetime Vitality's CEO, states, "We are very excited to announce this new partnership as we see great synergies between Lifetime and JVS. We plan to continue serving their patients with excellence and taking care of their employees."

Dr. Janice Sallitt, Clinical Director and Physical Therapist at JVS, notes "We are thrilled to be partnering with Lifetime Vitality as they have the same core values of integrity and honesty with a commitment to serving patients with empathy and compassion as we do." Dr. Sallitt will continue to run the day-to-day operations of JVS.

JVS is a rehabilitation center based in Columbia, Maryland that has been in business for over 25 years. They offer services for orthopedic conditions, neurological conditions, and for athletes of all ages.

Lifetime Vitality provides Physical Therapy, Occupational Therapy, Speech Therapy, Respiratory Therapy, Telehealth, Transitional, and Health and Wellness services across all settings and partners with the patient as their sites of care may change from home to independent living to assisted living, skilled nursing facility, or hospital. Lifetime Vitality is partnered with Theradynamics ([www.theradynamics.com](http://www.theradynamics.com)), the largest rehabilitation provider in the Tri-State area (New York, New Jersey, and Connecticut).
